How the Provider Enrollment Process Works

Once your application is received by the Provider Certification Unit, we review it for accuracy. If there are corrections needed or if there is incomplete information, the Provider Certification Unit will contact you to let you know what follow up is required.

NOTE: Please allow a minimum of 2 weeks for HP to assign you a Medicaid Provider Information Number (PIN).

Once you receive your Medicaid PIN, follow these steps:

1. Once HP assigns you a Medicaid PIN number, HP will send you a letter stating that you are “eligible” to bill. **However, you are not authorized by Medicaid to work at this time.**
2. The Provider Certification Unit will send you a New Provider Information Packet, which contains your Attendant Care PIN number, your DAAS AAPD Provider Certificate, and a payroll calendar.
3. A DAAS RN will contact you to establish your work start date. After the start date is established, the RN will also provide the start date to the Provider Certification Unit.
4. After you are contacted by the DAAS RN, please allow **1-2 weeks** for the Provider Certification Unit to process your start date.

If you have not heard from the DAAS RN or from this office within the timeframes shown above, please call 501-682-2441 and ask for the Provider Certification Unit.

The quicker documents are returned, the quicker this process will go. When making copies of your driver’s license and/or social security card, please be sure it is clear and readable.

Arkansas Department of Human Services
Participant Exclusion Rule
DHS Policy 1088

The term “participant” in this policy means a person seeking to become a party to a contract with DHS to furnish services (i.e. AAPD Attendant Care Medicaid Provider).

1088.1.1 Purpose

DHS shall conduct business only with responsible participants. Participants will be excluded from participation in DHS programs not as penalty, but rather to protect public funds, the integrity of publicly funded programs, and public confidence in those programs. It is also the intent of this policy to prevent excluded participants from substituting others, usually immediate family members, as surrogates to continue the practices that caused DHS to exclude the participant.

1088.2.3 Causes for Exclusion

DHS shall automatically exclude a participant if the participant is the subject of final determination that the participant has wrongfully acted or failed to act with respect to, or has been found guilty, or pled guilty or *nolo contendere*, to any crime related to:

- A. Obtaining, attempting to obtain, or performing a public or private contract or subcontract
- B. Embezzlement, theft, forgery, bribery, falsification or destruction of records, any form of fraud, receipt of stolen property, or any other offense indicating moral turpitude or a lack of business integrity or honesty
- C. Dangerous drugs, controlled substances, or other drug-related offenses when the offense is a felony
- D. Federal antitrust statutes
- E. The submission of bids or proposals
- F. Any physical or sexual abuse or neglect when the offense is a felony

Based on this policy, all AAPD Attendant Care Provider Applicants must understand and acknowledge the following:

Your application will be provided to HP Enterprises, a Medicaid Contractor, to ensure that all qualifications required of a Medicaid Provider of AAPD Attendant Care are met. Your application’s review will include a national and state background check to determine if you are placed on the DHS Provider Exclusion List or have a criminal record that contains a conviction. If a positive finding results, it will be reviewed by legal staff within the Medicaid Program Integrity Section, who will advise HP on whether a Medicaid Provider Identification Number (PIN) can be assigned.

You will be made aware of any adverse decision in writing by the Medicaid Program Integrity Section, along with what action to take if you desire to appeal the decision.

Form W-4 (2015)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2015 expires February 16, 2016. See Pub. 505, Tax Withholding and Estimated Tax.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

Exceptions. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2015. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.

Instructions

TYPES OF INCOME - This form can be used for withholding on all types of income, including pensions and annuities.

NUMBER OF EXEMPTIONS – *(Husband and/or Wife)* Do not claim more than the correct number of exemptions. However, if you expect to owe more income tax for the year, you may increase your withholding by claiming a smaller number of exemptions and/or dependents, or you may enter into an agreement with your employer to have additional amounts withheld. This is especially important if you have more than one employer, or if both husband and wife are employed.

DEPENDENTS – To qualify as your dependent *(line 2 of form)*, a person must (a) receive more than 1/2 of their support from you for the year, (b) not be claimed as a dependent by such person's spouse, (c) be a citizen or resident of the United States, and (d) have your home as their principal residence and be a member of your household for the entire year or be related to you as follows: son, daughter, grandchild, stepson, stepdaughter, son-in-law or daughter-in-law; your father, mother, grandparent, stepfather, stepmother, father-in-law or mother-in-law; your brother, sister, stepbrother, stepsister, half brother, half sister, brother-in-law or sister-in-law; your uncle, aunt, nephew or niece *(but only if related by blood)*.

CHANGES IN EXEMPTIONS OR DEPENDENTS – You may file a new certificate at any time if the number of exemptions or dependents INCREASES. You must file a new certificate within 10 days if the number of exemptions or dependents previously claimed by you DECREASES for any of the following reasons:

(a) Your spouse for whom you have been claiming an exemption is divorced or legally separated from you, or claims his or her own exemption on a separate certificate, **or**

(b) The support you provide to a dependent for whom you claimed an exemption is expected to be less than half of the total support for the year. OTHER DECREASES in exemptions or dependents, such as the death of a spouse or a dependent, does not affect your withholding until next year, but requires the filing of a new certificate by December 1 of the year in which they occur.

You may claim additional amounts of withholding tax if desired. This will apply most often when you have income other than wages.

You qualify for the low income tax rates if your **total** income from all sources is:

(a) Single	\$11,412 to \$15,100
(b) Married Filing Jointly (1 or less dependents)	\$19,244 to \$24,000
(c) Married Filing Jointly (2 or more dependents)	\$23,160 to \$29,900
(d) Head of Household/Qualifying Widow(er) (1 or less dependents)	\$16,224 to \$21,200
(e) Head of Household/Qualifying Widow(er) (2 or more dependents)	\$19,339 to \$23,900

Dear Provider:

Providers are encouraged to utilize ELECTRONIC FUND TRANSFER (EFT). EFT allows your Medicaid payments to be directly deposited into your bank account. You will notice a difference in your cash flow with EFT because it makes your money available sooner than the delivery of paper checks through the U.S. Post Office. Your Medicaid Remittance Advice (RA) will continue to be mailed to the mailing address listed on your enrollment application.

If you have direct deposit already, you can disregard this notice. Your money will be deposited into your account as before.

If you wish to have your Medicaid payment automatically deposited, please complete the Direct Deposit Authorization Agreement and attach a **voided check or letter from your bank reflecting the bank's ABA number and your account number**.

If you choose not to enroll in direct deposit, your checks will be mailed to you. Checks are not available for pick up.

If you have questions concerning this letter, please contact us at (501) 682-2441.

Sincerely,

Alternatives Waiver Program

Part II For Payees Exempt From Backup Withholding (See Instructions)

Requester's name and address (optional)

Certification.—Under penalties of perjury, I certify that:

- (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

Certification Instructions.—You must cross out item (2) above if you have been notified by IRS that you are currently subject to backup withholding because of underreporting interest or dividends on your tax return. For real estate transactions, item (2) does not apply. For mortgage interest paid, the acquisition or abandonment of secured property, contributions to an individual retirement arrangement (IRA), and generally payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (Also see *Signing the Certification under Specific Instructions*, on page 2.)

Instructions
(Section references are to the Internal Revenue Code.)

Purpose of Form.—A person who is required to file an information return with IRS must obtain your correct taxpayer identification number (TIN) to report income paid to you, real estate transactions, mortgage interest you paid, the acquisition or abandonment of secured property, or contributions you made to an individual retirement arrangement (IRA). Use Form W-9 to furnish your correct TIN to the requester (the person asking you to furnish your TIN), and, when applicable, (1) to certify that the TIN you are furnishing is correct (or that you are waiting for a number to be issued), (2) to certify that you are not subject to backup withholding, and (3) to claim exemption from backup withholding if you are an exempt payee. Furnishing your correct TIN and making the appropriate certifications will prevent certain payments from being subject to the 20% backup withholding.

Note: If a requester gives you a form other than a W-9 to request your TIN, you must use the requester's form.

How to Obtain a TIN.—If you do not have a TIN, apply for one immediately. To apply, get **Form SS-5**, Application for a Social Security Number Card (for individuals), from your local office of the Social Security Administration, or **Form SS-4**, Application for Employer Identification Number (for businesses and all other entities), from your local Internal Revenue Service office.

To complete Form W-9 if you do not have a TIN, write "Applied For" in the space for the TIN in Part I, sign and date the form, and give it to the requester. Generally, you will then have 60 days to obtain a TIN and furnish it to the requester. If the requester does not receive your TIN within 60 days, backup withholding, if applicable, will begin and continue until you furnish your TIN to the

requester. For reportable interest or dividend payments, the payer must exercise one of the following options concerning backup withholding during this 60-day period. Under option (1), a payer must backup withhold on any withdrawals you make from your account after 7 business days after the requester receives this form back from you. Under option (2), the payer must backup withhold on any reportable interest or dividend payments made to your account, regardless of whether you make any withdrawals. The backup withholding under option (2) must begin no later than 7 business days after the requester receives this form back. Under option (2), the payer is required to refund the amounts withheld if your certified TIN is received within the 60-day period and you were not subject to backup withholding during that period.

Note: Writing "Applied For" on the form means that you have already applied for a TIN OR that you intend to apply for one in the near future.

As soon as you receive your TIN, complete another Form W-9, include your TIN, sign and date the form, and give it to the requester.

What Is Backup Withholding?—Persons making certain payments to you are required to withhold and pay to IRS 20% of such payments under certain conditions. This is called "backup withholding." Payments that could be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee compensation, and certain payments from fishing boat operators, but do not include real estate transactions.

If you give the requester your correct TIN, make the appropriate certifications, and report all your taxable interest and dividends on your tax return, your payments will not be subject to backup withholding. Payments you receive will be subject to backup withholding if:

- (1) You do not furnish your TIN to the requester, or

(2) IRS notifies the requester that you furnished an incorrect TIN, or

(3) You are notified by IRS that you are subject to backup withholding because you failed to report all your interest and dividends on your tax return (for reportable interest and dividends only), or

(4) You fail to certify to the requester that you are not subject to backup withholding under (3) above (for reportable interest and dividend accounts opened after 1983 only), or

(5) You fail to certify your TIN. This applies only to reportable interest, dividend broker, or barter exchange accounts opened after 1983, or broker accounts considered inactive in 1983.

Except as explained in (5) above, other reportable payments are subject to backup withholding only if (1) or (2) above applies.

Certain payees and payments are exempt from backup withholding and information reporting. See *Payees and Payments Exempt From Backup Withholding*, below, and *Exempt Payees and Payments under Specific Instructions*, on page 2, if you are an exempt payee.

Payees and Payments Exempt from Backup Withholding.—The following is a list of payees exempt from backup withholding and for which no information reporting is required. For interest and dividends, all listed payees are exempt except item (9). For broker transactions, payees listed (1) through (13) and a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker are exempt. Payments subject to reporting under sections 6041 and 6041A are generally exempt from backup withholding only if made to payees described in items (1) through (7), except that a corporation that provides medical and health care services or bills and collects payments for such services is not exempt from

Indirect ownership: an ownership interest in an entity that has direct or indirect ownership interest in the disclosing entity. The amount of indirect ownership interest in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level.

(Example: If A owns 10% of the stock in a corporation which owns 80% of the stock of the disclosing entity, A's interest equates to an 8% indirect ownership interest in the disclosing entity and must be reported. Conversely, if B owns 80% of the stock of a corporation which owns 5% of the stock of the disclosing entity, B's interest equates to a 4% indirect ownership interest in the disclosing entity and need not be reported).

Ownership or control interest: a person or corporation that: (1) has an ownership interest totaling 5 percent or more in a disclosing entity; (2) has an indirect ownership interest equal to 5 percent or more in a disclosing entity; (3) has a combination of direct and indirect ownership interest equal to 5 percent or more in a disclosing entity; (4) owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity; (5) is an officer or director of a disclosing entity that is organized as a corporation; or (6) is a partner in a disclosing entity that is organized as a partnership.

Ownership Interest: equity in the capital, stock, or profits of the disclosing entity. To determine the percentage of ownership, mortgage, deed of trust, note, or other obligation, the percentage of interest owned in the obligation is multiplied by the percentage of the disclosing entity's assets used to

secure the obligation. (Example: If A owns 10% of a note secured by 60% of the provider's assets, A's interest in the provider's assets equates to 6% and must be reported. If B owns 40% of a note secured by 10% of the provider's assets, B's interest in the provider's assets equates to 4% and need not be reported).

Managing employee: a general manager, business manager, administrator, director, or other individuals who exercise operational or managerial control over, or who directly or indirectly conducts the day-to-day operations of an institution, organization, or agency

Subcontractor: (1) an individual, agency, or organization to which a disclosing entity has contracted or delegated some of its management functions or responsibilities of furnishing health related services; or (2) an individual, agency, or organization with which a fiscal agent has entered into a contract, agreement, purchase order, or lease to obtain space, supplies, equipment, or services provided under the Medicaid agreement.

Additionally, if the accrediting agency prohibits subcontracting, sub-leasing or lending its accreditation to another organization, Arkansas Medicaid will follow the restrictions set forth by the accrediting agency.

Supplier: an individual, agency, or organization from which a provider purchases goods or services used in carrying out its responsibilities under Medicaid (e.g., a commercial laundry, a manufacturer of hospital beds, or a pharmaceutical firm).

Wholly owned supplier: a supplier whose total ownership interest is held by a provider or by a person/ persons or other entity with an ownership or control interest in a provider.

Significant business transaction: any business transaction or series of related transactions that, during any one fiscal year, exceeds either \$25,000 or 5 percent of a provider's total operating expenses.

ADMINISTERED BY THE DIVISION OF MEDICAL SERVICES
TITLE XIX (MEDICAID)**

The following agreement is entered into between _____, hereinafter called Provider, and the Arkansas Department of Human Services, hereafter called Department:

1. Provider, in consideration of the covenants therein, agrees:
 - A. To keep records in accordance with generally accepted standards for the type of business and the healthcare services provided, related to services provided to individuals receiving assistance under the State Plan and billing for such services
 - B. To make available and, upon request, furnish all records described above to the Department, the Medicaid Fraud Control Unit of the Arkansas Office of the Attorney General, the U.S. Secretary of the Department of Health and Human Services or a designated agent or representative of any entity entitled to records. For all Medicaid beneficiaries, these records include, but are not limited to those records which are defined in Section "A" of this contract. For clients who are not Medicaid beneficiaries, the records that must be furnished are financial records of charges billed to non-Medicaid insurance to ensure that charges billed to Medicaid do not exceed charges billed to non-Medicaid insurance.
 - 1) In connection with this contract each party hereto will receive certain confidential information relating to the other party. For purposes of this contract, any information furnished or made available to one party relating to the financial condition, results of operation, business, customers, properties, assets, liabilities or information relating to the financial condition relating to beneficiaries and providers, including but not limited to protected health information as defined by the Privacy Rule promulgated pursuant to the Health Insurance Portability and Accountability Act (HIPAA) of 1996, is collectively referred to as "Confidential Information."
 - 2) The contract shall safeguard the use and disclosure of information concerning applicants for or beneficiaries of Title XIX services in accordance with 42 CFR Part 431, Subpart F, and shall comply with 45 CFR Parts 160 and 164 and shall restrict access to and disclosure of such information in compliance with federal and state laws and regulations."

 - D. To bill Medicaid only after a service has been provided, or as otherwise specified in the appropriate Arkansas Medicaid Provider Manual, Official Notice, or Remittance Advice message.
 - E. To accept payment from Medicaid as payment in full for a covered service, and to make no additional charges to the beneficiary or accept any additional payment from the beneficiary except cost share (co-pay or deductible amounts) established by the Medicaid Program.
 - F. To take assignment and file claims with third party sources (medical or liability insurance, etc.), and if third party payment is made to the Provider, to reimburse Medicaid up to the amount Medicaid paid for the services; to make no claims against third party sources for services for which a claim has been submitted to Medicaid; and to notify Medicaid of the identity of each third party source discovered after submission of a claim or claims to Medicaid.
 - G. To make no charge to a beneficiary for a claim or a portion of a claim when a determination that the service was not medically necessary is made based on the professional opinion of a peer reviewer; except that such charge may be made to the beneficiary when he/she has requested the service and has prior knowledge that he/she will be responsible for the cost of such service; and to reimburse the Division of Medical Services for all monies paid for claims for services that later were determined "not medically necessary."
 - H. To provide all services without discrimination on the grounds of race, color, national origin, or physical or mental disability within the provisions of Title VI of the Federal Civil Rights Act, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

The Provider agrees that the terms and conditions contained therein shall be a part of this contract if the same were set out verbatim herein. The Provider states that he/she is currently licensed to practice in Arkansas or within the State where services were rendered and agrees to promptly notify the Department if his/her license is revoked or suspended. The Provider agrees to maintain this certification as a matter of record for all claims submitted electronically, by any media.
- M. To notify the Department before any change of ownership or operating status. Upon change of ownership or operating status the successor owner or operator shall, as a condition of assumption of this agreement, hold the Department harmless for any rate or payment increases, decreases, or adjustments without respect to whether the increase, decrease, or adjustment relates to services delivered before the change in ownership or operating status.

- A. This contract may be voluntarily terminated by either party by giving thirty (30) days written notice to the other party without cause and/or convenience of either party;
- B. This contract will be automatically renewed for one year on July 1 of each year if neither party gives notice requesting termination;

 - 3) Change of ownership
 - 4) Or other reason for which a sanction may be issued as set forth under the applicable Medicaid Provider Manual.

If the Provider is a legal entity other than a person, the person signing this Provider Contract on behalf of the Provider warrants that he/she has legal authority to bind the Provider. The signature of the Provider or the person with the legal authority to bind the Provider on this contract certifies the Provider understands that payment and satisfaction of these claims will be made from Federal and State funds, and that any false claims, statements, or documents, or concealment of material fact, may be prosecuted under applicable Federal and State laws.
