Division of Aging & Adult Services Seeking
Senior Arkansans to Participate in the
2008 Mock Silver-Haired Legislative Session

Little Rock - The Department of Human Services, Division of Aging and Adult Services, in partnership with the Arkansas Area Agencies on Aging, is seeking Arkansans who are at least 60 years old to volunteer to serve as delegates to the sixteenth biennial mock Silver Haired Legislative Session August 20-21, 2008. Delegates will act as legislators in this non-partisan session by writing, debating, and voting on bills addressing issues critical to older Arkansans.

Organizers are seeking one delegate from each Arkansas County. Anyone who is interested in becoming a delegate should contact the Area Agency on Aging in their county or the Division of Aging and Adult Services. County candidates need to circulate qualifying petitions and submit them to their Area Agency on Aging by February 29, 2008. Elected delegates will receive training on topics such as the legislative process, how to write bills, and how a bill becomes a law.

The Silver Haired Legislative Session has been conducted biennially since its institution by a 1977 General Assembly resolution sponsored by Rep. B. G. Hendrix and the late Rep. W. F. "Bill" Foster. It is one of at least 28 such sessions held throughout the country to give senior citizens a chance to participate in the legislative process.

For more information please contact Gwen Ervin-McLarty of the Division of Aging and Adult Services at (501) 683-7964 or your local Area Agency on Aging.
